FY 2012 Training Program

Classes held at our Independence, OH Facility

SIFCO is pleased to offer four, three day basic brush plating classes and five, two day classes specifically for basic cadmium plating and cadmium operator recertification at our Independence, Ohio facility. We can accept up to 10 students per class on a first come – first serve basis (a purchase order is required to lock in a date).

- The training fee is \$315 per student/per day of training.
 - **Cadmium Only Class is \$630 per student**
 - **Basic Brush Plating is \$945 per student**
- All attendees will be required to complete a “Pre-Class Study Program” that includes viewing a set of pre-recorded, on-line presentations and the submission of a mandatory “Pre-Class Quiz”.
 - *Completion of this preparatory study material is a prerequisite to attending either the Basic Selective Plating Class or the Cadmium Class.*
 - *The purpose of this course is let you prepare, at your own pace, for the training session that you'll be attending at our Cleveland, Ohio facility.*
 - *Once you have reviewed this material and then submitted and passed the quiz, you will have a good understanding of the SIFCO Process of Selective Plating and will be ready for the intensive hands on session.*
 - *When we receive your completed quiz, we will contact you to secure a purchase order or credit card number and to lock in a training date.*
